

FY 2024-2033

Transportation Improvement Program (TIP)

The Jacksonville Urban MPO has established performance management targets for highway safety, infrastructure condition, congestion, system reliability, emissions, freight movement and transit.

The Jacksonville Urban MPO anticipates meeting their identified targets with the mix of projects included in the FY 2024-2033 TIP.

The NCDOT has demonstrated fiscal constraint on the 2024-2033 STIP adopted on 6/6/2023. The Jacksonville Urban Area MPO TIP is a subset of the STIP and by extension therefore demonstrates fiscal constraint.”
