Disadvantaged Business Enterprise Goal
FY 2025-2027**

JACKSONVILLE, N.C. — Jacksonville Transit, the public transportation provider for The City of Jacksonville, NC, has established a Disadvantaged Business Enterprise (DBE) program under the U.S. Department of Transportation (DOT). As a recipient of Federal financial assistance from DOT, Jacksonville Transit ensures compliance with DBE program requirements. Therefore, under 49 CFR Part 26, Jacksonville Transit has established a DBE goal of 1.70% for FY 2025-2027 in FTA Section 5307 program-assisted contracts.

On December 18, 2024, from 4:00PM to 6:00PM, Jacksonville Transit will co-host a Transportation Open House at Jacksonville Station, located at 1300 N. Marine Blvd, Jacksonville, NC 28450, for any public member interested in reviewing or discussing the Federal DBE goal.

A description of the DBE goal and the methodology will be available for public review for thirty (30) days following the publication of this notice. Anyone who wishes to review the DBE goal may do so at <https://www.jacksonvillenc.gov/903/Rider-Info> or in person at Jacksonville Station, Monday through Friday, 8:00AM to 5:00PM. For additional questions, please contact Jacksonville Transit Staff at (910) 938-RIDE.

Public comments regarding this goal and the DBE Program will be received through January 13, 2025. Comments may be directed through email at transitinfo@jacksonvillenc.gov or in writing to:
