

# WELCOME TO THE PUBLIC WORKSHOP

## PROPOSED EXTENSION OF COMMERCE ROAD IN ONSLOW COUNTY

### STIP PROJECT U-5878

#### Project Overview:

The North Carolina Department of Transportation (NCDOT) plans to extend Commerce Drive between the existing end of pavement and Piney Green Road (S.R. 1406) in Jacksonville, Onslow County. As part of the Commerce Drive Extension project, the City of Jacksonville proposes to upgrade a 500 foot section of Commerce Drive from its intersection with Fairway Road to the U-5878 western terminus. The proposed typical section is a two-lane, undivided roadway with curb and gutter. **Project maps are available online at <http://www.ncdot.gov/projects/publicmeetings/>.**

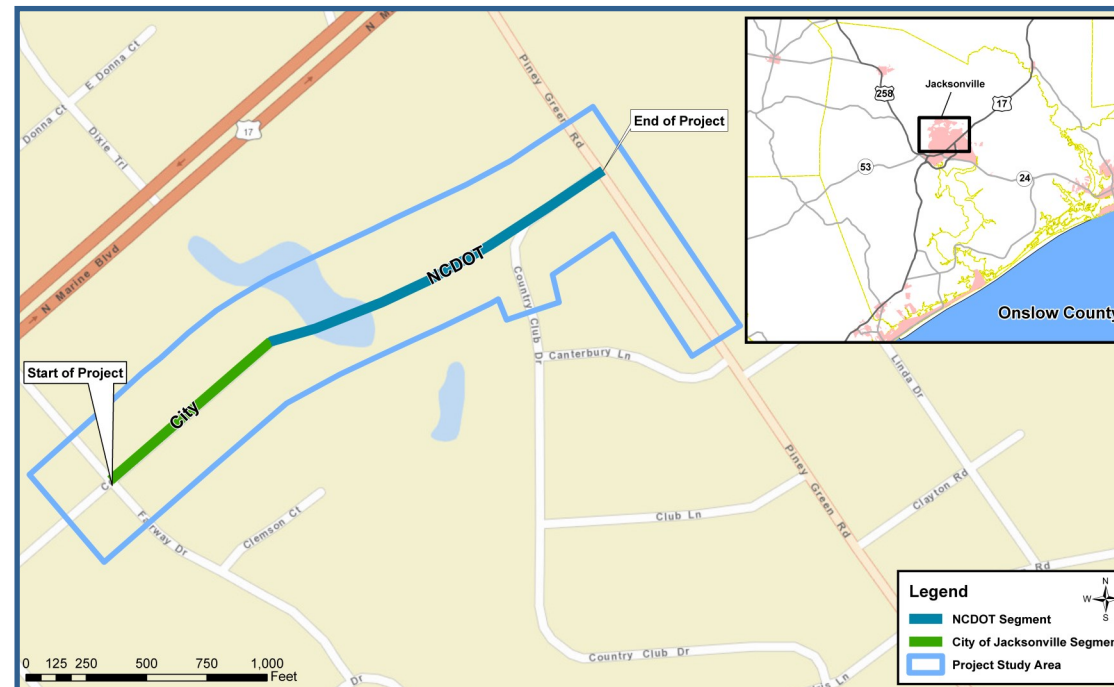

#### Purpose of the Project:

The purpose of the project is to provide area connectivity and traffic diversion from U.S. 17 (Marine Boulevard).

#### Status of the Project:

NCDOT is preparing a state-funded environmental document for this widening project. Funding is available through the State Highway Trust Funds. Right-of-Way acquisition and Construction are funded in the 2016-2025 State Transportation Improvement Program (STIP) as of July 2017.

The purpose of the workshop is to inform the public and provide an opportunity for public input. NCDOT representatives are available to answer questions and receive comments. Written questions or comments can be submitted at the meeting or mailed by September 28, 2017.
