

**FY 2026-2035**

**Transportation Improvement Program (TIP)**

The Jacksonville Urban MPO has established performance management targets for highway safety, infrastructure condition, congestion, system reliability, emissions, freight movement and transit.

The Jacksonville Urban MPO anticipates meeting their identified targets with the mix of projects included in the FY 2026-2035 TIP.

The NCDOT has demonstrated fiscal constraint on the 2026-2035 STIP adopted on 7/9/2025. The Jacksonville Urban MPO TIP is a subset of the STIP and by extension therefore demonstrates fiscal constraint.

AMENDMENT NO. 2 – 2026-2035 TIP**

A motion was made by T. Foster and seconded by C. Edwards for adoption of the following resolution, and upon being put to a vote, was duly adopted.

**WHEREAS**, the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) require Metropolitan Planning Organization (MPO) to develop a Transportation Improvement Program (TIP) in cooperation with the State and affect public transportation operators within their planning jurisdiction; and

**WHEREAS**, the Jacksonville Urban Area MPO has developed a TIP to include capital and non-capital surface transportation projects within the Jacksonville urban planning area; and

**WHEREAS**, the TIP includes a financial plan that demonstrates how it can be implemented within anticipated fiscal constraints; and

**WHEREAS**, the Transportation Advisory Committee reviewed the FY 2024-2033 and FY 2026-2035 Metropolitan Transportation Improvement Program (MTIPs), originally adopted on September 14, 2023 & August 27, 2025, and has found that modifications are needed to comply with FHWA; and

**WHEREAS**, this Amendment allows for the reprogramming of projects by adjusting project schedules and/or funding in order to be a fiscally constrained Program; and

**WHEREAS**, this Amendment and its modifications will be reflected in both, the 2024–2033 State Transportation Improvement Program (STIP) and the 2026–2035 STIP until federal approval of the 2026-2035 STIP; and

**WHEREAS**, a draft of the MTIP has been advertised for public comment in accordance with the Jacksonville Urban Area Metropolitan Planning Organization's Public Participation Plan (PPP), and all comments received, if any, were appropriately addressed; and
